

(a) Do you encounter any difficulty while writing this lab? Please describe the problems in details.

還好

(b) Besides the lab, what else do you want to learn?

想要學如何更改開發環境，像是在 D 槽的某個資料夾下寫作業也可以開啟 jupyter notebook

(c) Please give some feedbacks to the design of this lab. Positive or negative are both welcomed.

覺得資料視覺化的內容很有用，可以介紹多一點。
